

WHEN WE FRAME

A HOME, we frame a better future for our neighbors, our children, and our whole community.

Frame a Future is a campaign to tackle our affordable housing crisis head-on.

Your support doesn't just build homes; it makes homeownership achievable for local families and individuals, creating brighter futures for our neighbors and stronger communities for generations to come.

FRAME A FUTURE CELEBRATION

The campaign will culminate in an exclusive invite-only event at Habitat Portland Region's Century Commons community in Hillsboro.

Thursday, September 26th,
10 AM to 12 PM
Estimated audience: 150
