WALL RAISING CHALLENGE

WITH EVERY BUNDLE OF LUMBER BOUGHT during the Live Auction, another wall is raised, and with every wall, another home is built with a deserving family. **If we are able to buy 500 bundles of lumber this evening, we will be able to frame 20 Habitat homes for 20 families!**

Your generosity will help build healthy homes and healthy families, one bundle of lumber at a time!

Dear Friends,

It is my pleasure to welcome you to the seventh annual Hard Hat & Black Tie Dinner and Auction. Tonight, we are gathered at the Portland Art Museum to celebrate and support the work of Habitat for Humanity Portland/Metro East. With every paddle raised this evening, your generous support will help future Habitat homeowners build better lives for themselves and their families.

Many hardworking people in our city are in need of decent and affordable housing. Every day, we read the news headlines about our city's housing crisis. Tonight, we have the opportunity to make a huge impact.

At Habitat, we provide a hand-up, not a hand-out. Families purchase an affordable home and help build it with the support of our staff and volunteers. Together, we can help many local families build strength and stability through affordable homeownership.

Tonight would not be possible without the support of our generous sponsors and donors. Thank you to those who graciously donated their time and resources to help plan this special evening.

I hope you will join me and my peers on the Habitat Board by raising your paddles tonight and giving generously so we can increase the impact Habitat has in our community.

In Partnership,

A handwritten signature in black ink, appearing to read 'Ian K. Gordon'. The signature is fluid and cursive, with a large initial 'I' and 'K'.

Lizet's Story

Lizet has been searching for a stable and affordable home as her two daughters, Daphne and Sharon, grow older. They have moved multiple times over the past few years due to rent increases and want to live closer to Lizet's work without the fear of their home becoming unaffordable.

Lizet heard about Habitat for Humanity through her friend Rosa, who also purchased a Habitat home in 2015. While Rosa was in the program, Lizet helped her complete some of her sweat equity hours, which inspired her to apply to the homeownership program.

Lizet loves her job as a bilingual Family Resources Coordinator where she conducts home visits and provides resources to individuals in the community. She also works part-time with the YMCA teaching classes in Spanish about diabetes awareness. Lizet is passionate about helping people through some of the difficult life situations she has also experienced.

Daphne and Sharon love swimming, running, and playing with their dog, Gigi. Daphne dreams of becoming a doctor and Sharon aspires to be a teacher or a painter. Both girls cannot wait to move into their new home where they will have more space to play and to dream big.

HABITAT FOR HUMANITY PORTLAND/METRO EAST believes in a world where everyone has a decent place to live. We help families build strength, stability, and self-reliance through homeownership right here in Portland.

Every donation ensures a family has a foundation to build a future.
